The feature of the match was the rolling of the entire local team, as four of the five members averaged better than 100 per game.

Among the interested spectators were "Pop" Halley, who is connected with the tournament, which is to be held in Washington during the month of April, Messrs. Griff Orders Southpaw to Report in Charlottesville and Expects Him to Deliver.

## GEORGE DUMONT ARRIVES

Young Twirler Here and in Pink of Condition-Other Sporting News and Gossip.

### By WILLIAM PEET.

Southpaw Joe Boehling, according to Tark Griffith, will be placed in the same lass this season with Second Baseman Ray Morgan. In other words, Boehling nust deliver the goods from the start r else he will be sold to the minors after rawing a long term on the bench, with-

ut pay. Griff has decided to give Boehling one ore chance to prove his worth, and puts the start. Boehling must show his 1913 form, when he won a dozen games in a row, or else there will be a chance of segnery forthcomist.

scenery forthcoming.

There is no reason in the world why Boehling should not be one of the best southpaws in the American League. He is a natural ball player, one of the few pitchers who can hit, and has a wicked curve ball

Griff figures that Boehling will either make him a great pitcher during the campaign almost here, or else degenerate into a minor leaguer. The Old Fox is taking one more chance with the Richmond lad, just as he is giving Ray Morgan another trial. What the answer will be time alone

George Dumont, the Nationals' young pitcher who created such a favorable im-pression during the fag end of last sea-son, arrived in town yesterday morning and was in conference with the Oid Fox at headquarters. Dumont looks in the pink of condition and has certainly taken the best of care

and has certain; of himself this winter. Manager Griffith yesterday announced that instead of sending his first team to Richmond, Va., for one game on April 3 against Billy Smith's International Leaguers, the second team would go to the Virginia. the Virginia capital and play two games,

on April 1 and April 3.

Indications point to a mighty strong second team this season, and Griff will ship down a club to give a good account of itself.
